Dear Mike,

I have been delinquent in writing you in appreciation for the wonderful job your firm, "Guidance in Giving," accomplished for our parish, St. Peter's Catholic Church in Greenville, North Carolina. We easily reached our goal and even beyond it. Last year at this time, we were just getting underway with the preparations to open the campaign. In less than fifty days, we had reached the two million dollar goal in pledges. It had seemed like an enormous task as we began. There was certainly hesitancy and concern on my part. I promised our Parish Council that I would follow every directive your firm gave. It paid off. The Capital Campaign has been enormously successful and within nine months of closing, we already have over one million dollars in paid pledges. I thank you and your company for this excellent job. What was also especially appreciated was that the rates of your firm were much more reasonable than some of the larger fund raising companies. I will readily recommend "Guidance in Giving" to any Pastor who hopes to have a successful Capital Campaign.

This letter would not be complete without my special thanks to the on-site Director of our campaign, Kim Montgomery. She worked extremely hard, gave her full time and effort, encouraged the parishioners and assisted me with numerous tasks. In fact, she became a member of the parish staff in many ways and was much appreciated. Kim blended in so well and was missed after she left. It was because of her persistent efforts and competence that our campaign did so well. She had lunch each day with the parish staff and we were the recipients of many kindnesses and encouragements from her. She did very nicely at the receptions and was well received by the parishioners and the campaign volunteers. I want you to know of my deep appreciation for having had her direct our campaign.

Know of my gratitude. It is being shown by the high recommendations I am giving your firm throughout our diocese. I am most appreciative.

Gratefully in Christ,

V. Rev. Justin Kerber, C.P., V.F. (Pastor)

Dear Kim:

Thank you for your hard work in helping St. Peter's us not only meet but surpass our fundraising goal of \$2M to build a new parish life center. You performed wonderfully as you guided us through what seemed to us such an overwhelming project. The fact that you and Mike Coates, along with our campaign committee, the staff and Fr. Justin, were able to raise pledges exceeding \$2.2M in less than 90 days is truly astounding!

Thank you so much for your hard work and capable leadership. We feel blessed to have found Guidance in Giving and to have had you assigned to our campaign!

With gratitude,

Dear Mike:

Thank you for your company's hard work in helping St. Peter's Catholic Church not only meet but surpass our fundraising goal of \$2M to build a new parish life center. The Guidance In Giving plan could not have worked any better than here in our parish. The receptions were a great way of bringing our families together and educate them on our plans for the future.
