Mr. Cusack:

Our recent campaign to raise \$1.2 million dollars was a challenge for our parish of 500 families. However, having crossed the million-dollar mark and shy of our goal by only \$125,000, Guidance in Giving helped us tremendously.

I wish to commend our campaign director Domingo Betancourt for his service to our parish throughout our Capital Campaign, **Honoring our Past, Building our Future.**

From the beginning, Domingo was positive and supportive and presented himself professionally and well informed. He provided the insight, material and presence our campaign committee members needed as we headed into what was mostly unfamiliar territory.

Domingo guided our efforts at every step of the way and was sensitive our understanding of our parish community. I am especially grateful to know that Domingo was not alone in this effort as Tom Dolces and Joe Neville were also present to help and assist us throughout the campaign.

This was the first time I have worked with Guidance in Giving. I found these professionals competent and effective. I commend Domingo Betancourt and Guidance in Giving for a job well done. I would not hesitate to recommend your company to any parish seeking direction for a capital campaign.

Sincerely Yours,

Rev. T. Mathew Rowgh,  
Pastor
