INTRODUCTION TO PLANNING STUDY

St. Pius X Catholic Church is a vibrant, welcoming community that strives every day to fulfill our parish motto “to restore all things in Christ”. We have witnessed our parish grow over the years, and we currently offer over fifty ministries to meet the needs of our parishioners. The opportunity we have as a parish to reach out to our community has presented us with challenges that need to be addressed.

The results of this study will help us determine parishioners’ support and will provide the necessary information to know how to move forward. We very much need your input to help us intelligently and collectively walk through this process and make decisions that are right for our parish. Please make every effort to participate in this planning study. Your participation and support are crucial to the future of St. Pius X Catholic Church.
